## Laser Tag

This is a powerful laser tag system with a hit range of over 200 feet in broad daylight and a range of over 350 feet at night.

When you shoot your weapon you hear realistic shot gun sounds (when shooting "semi") and realistic machine gun sounds (when shooting "fully automatic"). When you reload it sounds as though you are actually changing out a used clip for a new one. When you are shot on your sensors you hear a loud "Umph!" and see the following on your display for three seconds: "HURT!" which means someone shot you on your sensors. After 3 seconds your display will show that you have lost one of your "lives" or "hit points." When you lose all your "lives" or "hit points" you have been eliminated and your weapon stops working. Your gun "screams" three times indicating that you have lost your last life. Then on the display you see the word "DEAD!" Our system can handle up to 12 players and comes with up to 8 inflatable bunkers.

## Popnoggins

Guests quickly join in for POPNOGGINS, a hip & hot entertainment product utilizing "green screen" technology to superimpose guests heads onto animated dancing bodies. They're hysterical! Up to six people at a time sit on magical stools and they perform to great tunes such as "Mony Mony," "Tub Thumping," a little Elvis and a bit of Cyndi Lauper, among other rock hip and modern greats. Call us for a Free Quote!

## Far-Out Photos

Your guest will take home photos of themselves that they have created based on their wildest imagination, from realistic vacation shots at Mt. Rushmore to the surface of the moon.

Each participant will choose from a variety of costumes and step on to the green screen stage. They can be done individually or in a group. Your guest will enjoy watching the computer graphic technology that transforms them on to a photo background depicting their final destination.

Each of your guests will receive a 4X6 photo of their picture as a gift from you.

## U-Rock Videos: Make Your Own Music Video

As much fun to watch as they are to make! U-Rock Videos are the "must-have" entertainment for your next party or event. Your guest will star in and create their own personal music video!

Each participant will choose from a large selection of songs, costumes, props and backgrounds, and then either alone, or with friends, they step onto the green-screen performance stage where they become rock-stars as they lip-sync and perform their favorite song.

Chroma-kep technology backgrounds and special effects. Entertain the entire group as they watch the finished

## Vintage Vision/Old Time Photos
